## Week One – Poetic techniques

Remind yourself of the following poetic techniques and answer the questions which follow:

**pun**

**metaphor**

**personification**

**oxymoron**

### Questions

- 1) In your own words, define what each term means.
- 2) Write your own example sentence for each of these techniques.

Now read this extract from Act One Scene One of *Romeo and Juliet* and answer the questions underneath:

Romeo:

Why, then, O brawling love! O loving hate!

O anything, of nothing first create!

O heavy lightness! Serious vanity!

Misshapen chaos of well-seeming forms!

Feather of lead, bright smoke, cold fire, sick health!

Still-waking sleep, that is not what it is!

This love feel I, that feel no love in this.

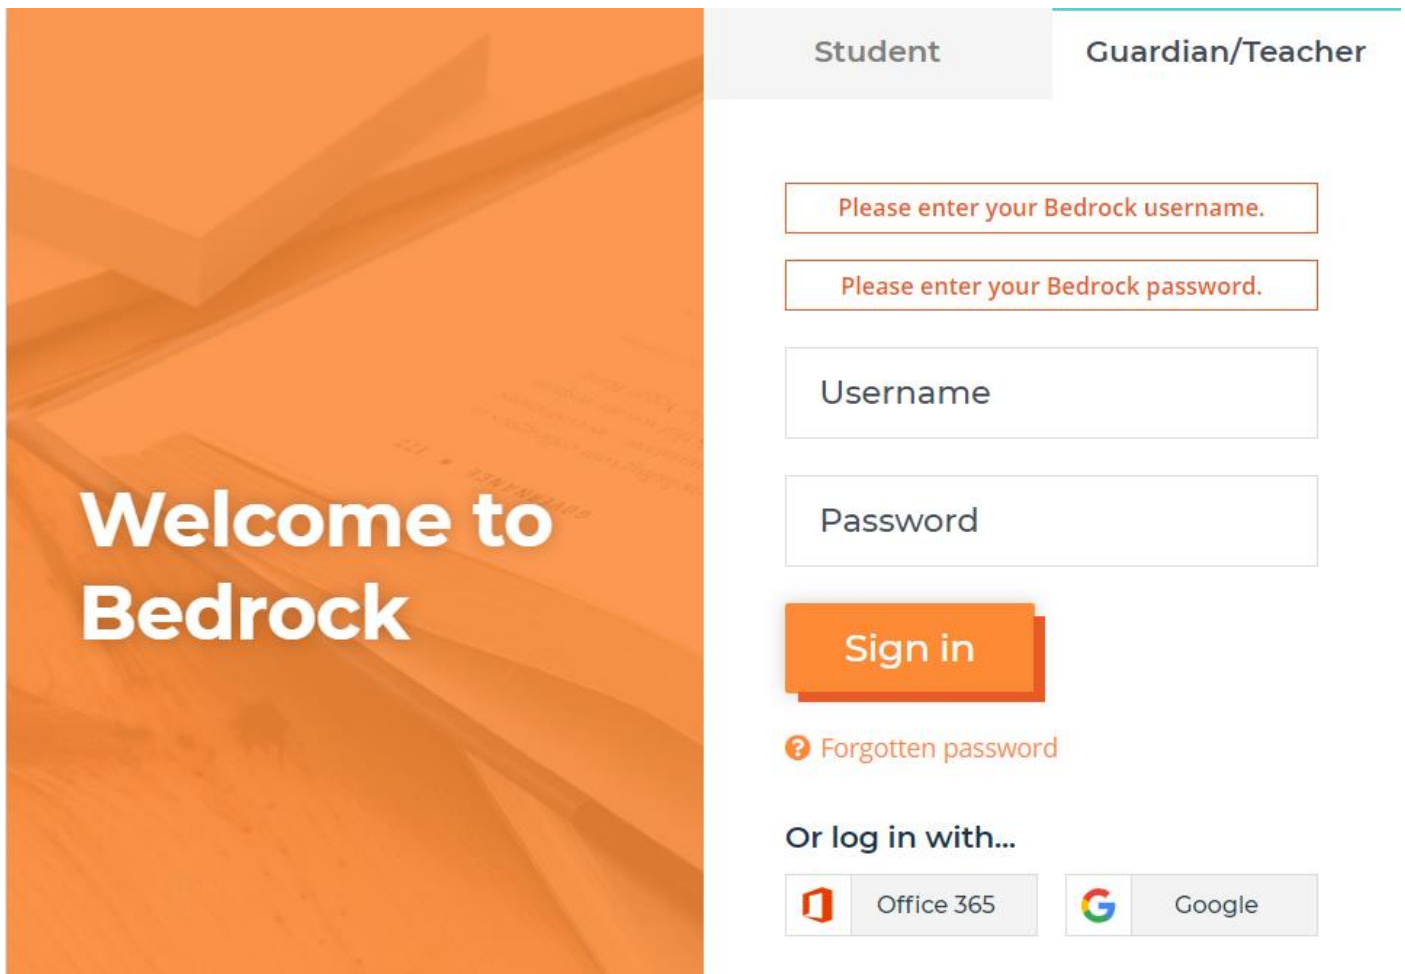

Dost thou not laugh?

### Questions

- 3) Which of the poetic techniques does Shakespeare use a lot of here? Write out five examples of this.
- 4) What does the high use of this technique show about how Romeo is feeling in this extract? How does that technique help to show this feeling?

## Week Nine – Practising your speech

Practise reading your speech a few times in preparation for your speaking and listening assessment in class.

Think about the following things and practise different ways of delivering your speech until you are happy with the best:

- Emphasis (stressing certain words)
- Diction (how clear you speak and how to pronounce difficult words)
- Punctuation (where you will pause, question, exclaim, etc.)
- Pace (which bits can flow quickly or where you may pause for effect and for how long)

Have a look at trained actors or poets reading their own work online to see how the professionals do it. Numerous good examples can be found on YouTube.
