Task Three – Translation into Spanish: Activities

Translate these sentences into Spanish. Read the guidance notes carefully. Do not use an internet translator – it will not help you learn, and it will be clear to your teacher as the translator will probably use different words to the ones you have learnt in class.

Traduce las frases al español.

Don't translate weather phrases word for word.

Use the 'I' form of the verb.

After **me gusta**, use the infinitive form of the verb (in this case, **leer**).

Which verb ending do you need for 'she'?
